Oak Patch Gifts®

GROWING SMALL BRANDS INTO BIG IDEAS

Oak Patch Gifts is our newest catalog featuring a variety of microbrands and developing product lines. At Oak Patch Gifts we find fun inventions, licensed items, exciting new products, and we create giftware that works in any store.

Oak Patch Gifts was founded in 1974 in Eugene, OR and was created to buy and grow gift brands. Over the years, Oak Patch has purchased and marketed more than a dozen brands. In 2017, the company was acquired by Nicole Brayden Gifts.

Oak Patch Gifts will be the company's incubator for developing new brands and product lines. We will introduce a variety of brands creating a unique collection of new and trending products. Some of these brands will come and go based on market trends, while others will remain for many years. Some brands will even go on to become major brands and breakout to be their own catalog.

Oak Patch Gifts will always
feature something new,
exciting, and original.

Since you will never know what could come next from Oak Patch Gifts, come back and check to see what is new!
