Christian Brands is thrilled to introduce Jeannette Gianola. Her exclusive art collection is only available through Christian Brands. This collection carries a story of faith, resilience and creativity—a testament to the inspiration behind each piece.

Hi, I'm Jeannette Gianola, and here's my story: A few years ago, my life took an unexpected turn when I was diagnosed with cancer. This challenging period became a profound test of faith and strength. In the midst of navigating this life-altering experience, I found comfort and courage in my spiritual beliefs. It was during this time that I realized I wanted to dedicate my life to a higher purpose and share my spiritual journey with others. As I worked through my recovery, I discovered the therapeutic, transformative power of art. Inspired by my faith and my desire to spread hope, I began creating religious art. It became clear to me that this was my calling—to use my artistic talents to create meaningful pieces that could touch hearts and uplift spirits. Each piece of art is a reflection of my journey and a testament to the strength I've found through faith and creativity. Thank you for joining me on this path, and I hope my creations bring you as much inspiration and comfort as they have brought me.
