The Rank Game & Expansion Packs

C = 40% DISCOUNT

This Game will put you to the test by making you ask how well you know your friends and family.

Each Player will draw a card and write down their preferred order of the choices on the card, and then the other players have to guess what order that person chose. Each correct guess is worth a point, and the team with the most points at the end of the game wins! You can play individually or in teams or groups!
